

## **Future FinTech Launches New Business Promotion and Operation Service of Chain World Cyberspace**

XI'AN, China, Sept. 4, 2018 /PRNewswire/ -- Future FinTech Group Inc. (NASDAQ : FTFT ), a financial technology company and integrated producer of fruit juice related products company, today announced that its integrated blockchain incubator/ accelerator Chain World Cyberspace has launched new business promotion and operation service for blockchain companies.

The regular services provided by Chain World Cyberspace include shared office space, road shows organizing, corporate identity supporting and blockchain related training. In addition, Chain World Cyberspace has created three different value-added service package for different project needs.

The first service package provides pre-project consultation, understanding of blockchain related policies, company registration and compliance requirements, and bilingual white paper drafting service, etc. The second service package includes digital asset marketing and advisory for domestic and international operations. The third service package provides digital assets exchange listing consultation and project implementation guidance.

"Launching the services is a big step of our strategic planning. Through these regular services and value-added services, on the one hand, we could promote our self-operated projects, and on the other hand, by utilizing Chain World Cyberspace's human resources, space resources and other advantages, we can create revenues for the Company and meet the needs of different blockchain start-up companies at the same time," said Mr. Yongke Xue, Chief Executive Officer and Chairman of Future FinTech.
