

### **Future FinTech Group CTO Zhi Yan Spoke at 2019 BRICS Think Tank International Symposium**

NEW YORK, Oct. 30, 2019 /PRNewswire/ -- Future FinTech Group Inc. (FTFT) ("Future FinTech", "FTFT" or "the Company") today announced the Company's CTO Zhi Yan spoke at 2019 BRICS Think Tank International Symposium held in Fuzhou on October 19th and 20th.

The 2019 BRICS Think Tank International Symposium was host by the China Council for the BRICS Think Tank Cooperation with the theme of scientific and technological innovation and cooperation. About one hundred professional scholars and representatives of enterprises attended the symposium. Attending institutions included Brazilian Federal University of Bahia, Brazilian Applied Economics Research Institute, Russian National Research University Higher School of Economics, South African University of Cape Town, Chinese Academy of Engineering, Chinese Academy of Social Sciences, Chinese Academy of Agricultural Sciences, China Science Center of International Eurasian Academy of Sciences, Chinese Academy of Science and Technology for Development, Tsinghua University, etc.

At the symposium, Mr. Zhi Yan spoke about the future model of contract farming supported by real-name blockchain technology. Contract farming is defined as a sales arrangement between a buyer and farmers, agreed before production begins, which establishes conditions for the production and marketing of a farm product or products. Building a real-name blockchain contract farming platform can connect the buyers and farmers directly and offer farmers an assured market and offer buyers higher food safety.

"I am glad to attend the BRICS Think Tank International Symposium and share our ideas and exploration in blockchain application," said Mr. Zhi Yan, Chief Technology Officer of Future Fintech. "I believe we will see more blockchain-inspired transformations in traditional industries in the near future."
